Frequently Asked Questions:

How many people can the space hold for a dinner?

Georgetown: 100

Vosh Main Room: 120

Riverside Room: 54

VIP Room: 20

Upper Patio: 60, Lower Patio: 70

(Custom setups allow for additional seating.)

For a cocktail-style standing reception we have hosted over 165. Large receptions could consider a Sunday with full use of the entire property.

How much is the deposit? A \$1500 non-refundable deposit is needed to secure a date. Another 10% is due 6 months out from the wedding date.

What is the fee for the space? \$1000 for Vosh and \$350 for the Riverside Room (if needed). This fee covers the use of our tables and chairs, the creation of a custom floor plan, and the arrangement of furniture for the day of setup.

How long do we have the space? Receptions are scheduled for a duration of five hours, with an additional 30 minutes allotted for cleanup after your event. If you wish to extend the duration of your event, you can do so by adding extra time to your bar package.

When is the Balance Due? Final payments must be made at least ten (10) days before the event. Your final guest count should be submitted two weeks out so final invoice can be issued. We accept Cash, Cashier's Check or Credit Card. A 3% service charge will be added to all amounts paid via credit card. Please be sure to check daily charge limits before charging large amounts.

What time can vendors make deliveries or begin setting up? The space will be completely set and ready for your vendors to arrive **3 hours** before the start of the event. Please make arrangements for items to be taken off site after the end of the event. Please remember to bring your own scissors, tape and any other decorating items you may need!

What kind of decorations do you recommend? Your event décor is open to whatever you can dream up, but the space does not need much! We recommend simple flowers or tea lights for the tables.

Are there any restrictions on use of the space? We do allow candles, items to be hung from our drop ceiling (if approved hanging method is used) and items to be hung from walls using non-abrasive, blue painters tape. We do ask that loose confetti, glitter and sequins are not used. If additional clean up or repair is needed fees may be charged.

Can we have our event on a Sunday? Yes! We offer complete access to the patio on Sundays without any additional rental fees, though setup fees still apply. Please refer to page 3 for more information and specific details. It is important to note that for Sunday weddings, there is a minimum spending requirement of \$10,000. In addition, for Sundays falling on holiday weekends, a premium spend is required.

Are there any noise restrictions? Lakewood has a 9pm noise ordinance limiting outdoor noise in the city. Music on the patio should be respectful of our neighbors.

Are non-alcoholic beverages included? Yes, they are included with your food package and beverage package.

Can I use any vendor or do you have a preferred vendors list? Please feel free to use your favorite vendors.

Can I use an outside vendor for cake and desserts? We love working with all Cleveland-area creatives so please feel free to use whomever you are comfortable with. Please note that if you would like us to handle the cutting and serving of your cake or if we are providing plates, napkins, and silverware for your desserts, there will be a charge of \$1 per person.

If ceremony and reception will be held in the same space will we have enough time & staff to make this a seamless transition? Yes! When discussing floorplan & layout with our event coordinator, decisions will be made about what spaces are best to use for each event on the timeline. Most of the time the only space that needs to be flipped quickly is the outdoor space.

Can we have our Rehearsal Dinner at Georgetown | Vosh? Absolutely, if we have the date available! Another fantastic option is Around The Corner Saloon, conveniently located just around the corner from us. You can explore their Warehouse party room or the new back patio section, both of which offer a great atmosphere. They offer appetizer packages that are perfect for a casual rehearsal dinner. Additionally, it's a great spot to visit after the wedding as well!

Is gratuity included in the invoice? No. There is a 21% service fee added to all charges for private events. This fee helps pay our staff their hourly event-related wages (front and back of the house staff needed to host your event) as well as setup & tear down. **This service fee is not a gratuity.** If you choose to leave any gratuity, please leave it with your assigned event leader to ensure proper distribution to the staff.
