

# RIVERSIDE REVIVAL

Originally built as a church in 1951, the completely renovated space is clean, well appointed and stunning with refreshed original features including stained glass windows, chandeliers and a copper panel ceiling. Equipped with an all new audiovisual system, full-scale commercial kitchen, and on-site parking, Riverside Revival is well-suited to host your big day. Executive Chef, Nick Govrik, takes events to the next level leaving guests palettes completely satisfied and hosting an event easy and efficiently. Housed in the old “church basement” the kitchen has adequate space for special pre or post function VIP gatherings or breakout sessions for corporate gatherings.
