WOODWARD THEATER VENUE INFORMATION 2020 - 2021

THE HISTORIC WOODWARD THEATER

The historic Woodward Theater opened in 1913 as a silent film house. The curve of today's stage imitates the original orchestra pit that still lies beneath. Over its diverse 100+ year history The Woodward has served Over-the-Rhine as Greg's Antiques , Kroger's Grocery Store, even Andy Schain's used car dealership!

In 2013 it returned to its origins as an authentic, accessible event space driven to support community, entertainment and music. With a significant investment the renovated Woodward is now a modern event facility with a strong respect for the theater's past and neighborhood. Devoted, hands on, independent and entrepreneurial, The Woodward Staff embraces the heart and history of Main Street OTR.
