CHATHAM
STATION

WELCOME TO CHATHAM STATION

Located in historic downtown Cary along the railroad tracks, Chatham Station is a bright and airy industrial venue. Chatham Station features 4,500 square feet of open event space with seven functioning glass garage bay doors that allow for an entire wall of natural lighting as well an easy flow for indoor-outdoor events. With exposed bricks, natural wood elements, metallic accents and a skylight we like to think of ourselves as industrial with a touch of glam!
