Venue

Five Points Chapel & Gardens is a family-owned and operated venue. Consisting of a 2,000 square foot historic gothic church built in 1934 and a festive garden, our venue sits on a vast 3/4 acre lot in beautiful historic Riverside. FPC offers a perfect ambiance for wedding ceremonies, receptions, and special events such as concerts, plays, parties, corporate parties, seminars, and more. We believe that every element and detail of your event should be special, starting with the venue. Our classically styled venue is rife with ornate detail, with its antique tin ceilings, hardwood floors, and many of the original elements of the church preserved, offering an intimate yet spacious experience. Our venue holds up to 110 people, has two all-gender bathrooms with changing stations, a grand foyer, a bridal room/prep quarters, and a back area for backstage or banquet needs. Our gardens feature paved walkways and platforms winding through a lush landscape design with seasonal plantings and an array of beautiful greenery, available for any outside installation setups (outside capacity of 250). Located 3 blocks from historic Five Points, our beautifully renovated space also has immediate access to I-95 and I-10.
