OUR PRAISES

"I never write reviews but in the case of the Bond and its staff I will make this exception. They all were first class from start to finish. JDK, their exclusive caterer, provided excellent food and the wait staff followed my wife and I around the entire night making sure we had anything we needed. The place has such a great atmosphere and our guests still cant stop talking about to this day. Thank you and all of your staff for such a great day. I cant recommend The Bond enough."
- Judson Z

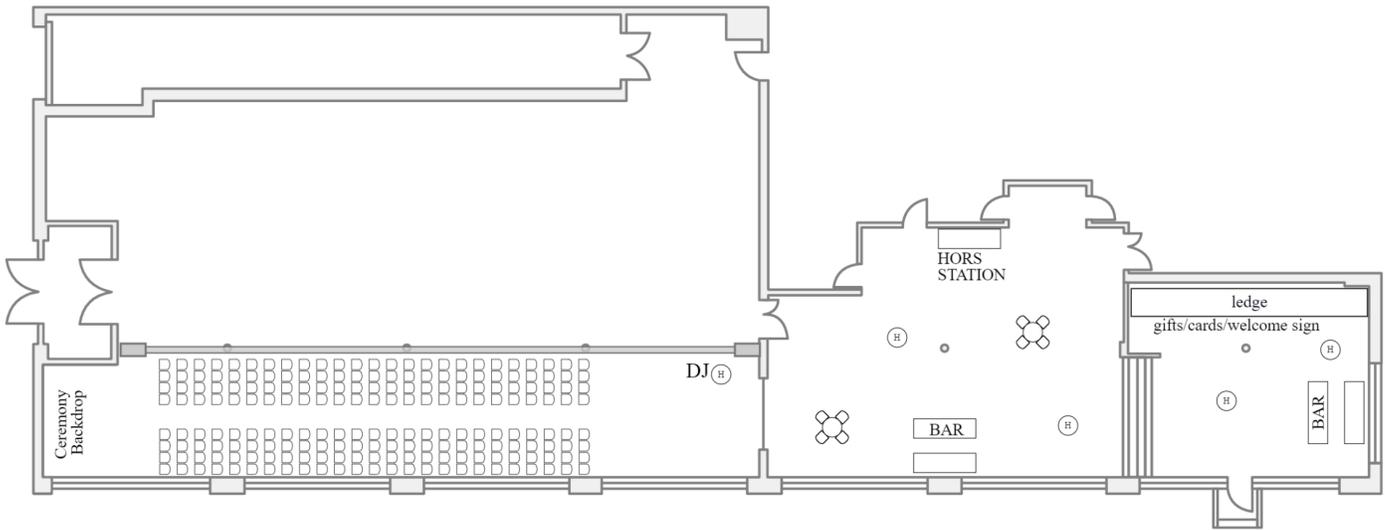

"I cannot say enough amazing things about this venue. From the very beginning, signing the contract, to every last detail...Abby helped our vision come to life. I was blown away at how beautiful the space was. The staff was amazing and the food was great!! I can't recommend this venue enough. Being from York, but living in Philadelphia now, this was the perfect atmosphere to fit our urban style. This place is amazing and I just want to do it all over again!!"
- Kelsey
