Love Notes

The Best!

Oh my, I wish I could give 10 stars! The Seville was AMAZING from start to finish! I still cannot believe how perfectly everything went. Tammy was always available to put me at ease and answer all of my questions. Lisa made sure everything ran smoothly on our big day and truly made everything a dream. Planning was honestly a breeze because of their hard work and efforts. Even my friends and family were shocked at how calm I was throughout the planning process because the Seville made everything so seamless. The food & drink, decor, hospitality, etc. was beyond what I could have ever imagined! Truly perfection!
