AMERICAN BRANDY

Copper & Kings is a brandy distillery located in the Butchertown neighborhood of Louisville, KY.

With three distinct spaces, we can host groups large and small, both onsite and in one or more areas of the distillery.

Copper & Kings is your one-stop shop for venue, catering, and beverage services. Our Food & Beverage minimum includes tables and chairs, china and cutlery, statement furniture, and decor for up to 150 guests, meaning fewer costs for the use of outside vendors and rentals.
