*Greenhouse Venue*

The 4,300 square foot Greenhouse offers both protection from the weather and an abundance of natural light. Filled with perennial and annual flowers and vines, it truly brings the nature of the land inside.

*The Garden*

Landscaped with walkways and enclaves of seating, The Garden is nestled beside the venue and can also be enjoyed from inside the Greenhouse. Filled with perennial and annual flowers, vegetables, and fruit, it is both beautiful and edible.

*Farm Catering*

Of the Land's commercial kitchen is located just 25 feet from the Greenhouse. Provide your Guests with an unforgettable meal that is made from scratch with the freshest local ingredients, including many from our own farm.

*Farm Flat*

*Bartending Service*

*Florals*

Modern and newly renovated, the farm flat is secluded on the farm. Experience our hot tub on a private patio, full kitchen, and bridal suite with a lounge for getting ready. Stay two nights and relax before, during, and after.

Choose between signature cocktails or an espresso bar for a memorable experience from the garden bar, Dotty. Also included is a bar in the Greenhouse Venue, all you need to do is provide the alcohol.

We've partnered with Dew Drop Design, a woman-owned business featuring two local flower farmers within a few miles of our farm. Together they will help design and execute your vision sourced from their heritage blooms.
