Using the DJ Form, an Itinerary/Schedule for your event will be created and provided to you with copies in the Suites and the Head Table. We have a 5-speaker sound system, a GigBar Move (5-in-1 lighting system with moving heads, derbies, washes, and strobes), Laser Lights, LED lights, Fog machine (Medium or Large), Custom Color Uplighting, 3 Wireless Microphones, Outdoor speakers for Ceremony music, and a Lapel Microphone for your officiant. Take it up a notch and add Karaoke to your reception for an additional cost. DJ Cheema mixes music live during the reception at your request, creating a party you won't forget!

Yard/Outdoor games include Cornhole and Jumbo Jenga.

The Pool is the perfect spot after the reception to have your wedding party continue the party or just to relax!
