

## Lareau Farm Inn

Our farm is a wedding destination: we want your family and friends to feel at home for the weekend, which is why we include our entire Inn in the wedding package. The Lareau Farm Inn, a classic Vermont farmhouse, was built in the 1790s. With 12 rooms, our Inn can sleep up to 30 guests. Breakfast is included in your room stay. There is no additional deposit required to book the Inn. Your guests can pay for their rooms when they check out at the end of the weekend. A two-night minimum stay is required.

## The Food

Dine on a locally sourced artisanal meal served from a roaring outdoor wood-fired oven, wood-fired smoker & grill.

Lareau Farm is the home of the award-winning American Flatbread restaurant. Let our knowledgeable and creative chefs create a dinner that will wow your guests. We feature a wood-fired flatbread menu, which showcases the local and seasonal specials of our restaurant.
