### **we've got what you need!**

Our inventory includes a selection of tables and chairs, a standard audio set up with PA system, and a great team that will help to design a layout just for you.

### **what about linens? or decor?**

One of the things that makes Mainframe so special is our resident artists, and with over 200 amazing artists in house, we can help to connect you with vendors like decorators, photographers, and printshops that can create something unique just for you.

Linens can be rented directly from our in-house caterer, Tangerine Food Co.

### **speaking of catering... and what about the bar?**

We make it easy on you with an amazing in-house caterer that will help you curate the perfect menu for your event. As our preferred caterer, Tangerine Food Company provides both catering and bar service for private events at Mainframe Studios - you can find out more about Tangerine's wide range of options at [tangerinefoodco.com](http://tangerinefoodco.com). ### **where do my guests park?**

We are able to offer access to our 150 parking spots, located on the lower floor of the building and in the paved lot on the South side. For valet options through Keck Parking, please contact our events team.

### **does mainframe require security?**

While we don't require security for every event, our events team retains the right to hire on-site security for events where alcohol is present, on an as-needed basis. Any cost incurred will be covered by the rental fee.
