INDIANAPOLIS' PREMIER
EVENT & WEDDING VENUE

DREAM. CREATE. CELEBRATE.

We got married at INDUSTRY on NYE and had a great experience. The venue is big, clean, and versatile. The bar staff was easy to work with leading up to the wedding and great the night of. [Alisa] was our wedding planner and helped so, so much throughout the process and especially on the day of. INDUSTRY allowed all of the vendors that we wanted to work with and our vendors all had a great experience being there. We definitely recommend INDUSTRY to anyone looking for a venue in Indianapolis!

Hello.

INDUSTRY was designed with every detail in mind. Our team spent significant resources to bring to life this vibrant and modern venue and event space.

The combination of red brick walls, natural light and expansive ceilings, create a stunning ambiance that needs very little, if any, decor. However, we've seen some clients take this flexibility and create some simply stunning weddings and events.

Your Next Event Starts Here.

INDUSTRY is located just outside the heart of downtown Indianapolis. This stunning building (previously a machine shop) has a unique architectural design. What was once two individual buildings became one, and created an incredibly versatile space making it the perfect venue for celebrations, weddings, corporate events, and much more!

Hello.

"[INDUSTRY] is where we ultimately decided to have our wedding. And we couldn't be happier that we did. The space is gorgeous with rustic brick and modern renovations without feeling too pretentious. The staff was easy to communicate with, open to suggestions, and flexible to our needs (which every wedding will have). From start to finish we never thought twice about our decision to choose this location.
