VENDORS

Q: Can I bring in my own caterer?

A: Yes! This is your big day and we don't want to hold you back from choosing whichever certified caterer that you prefer. We have a wonderful list of our partner catering vendors, but for a \$400 fee you can bring your own licensed, full-service caterer.

Q: What is the policy on alcohol/beverage services?

A: The bar service is provided by our in-house "Refresh" Bar Service. You can read more about our Bar Service on page 13. We think you will fall in love with our unique service and the cost savings brought to you! We are also prohibited from cash bars at our facility. If you have more questions on this, feel free to ask one of our event managers ☺

FAQ

Q: What is your Capacity?

A: The Revel Center is designed to bring families closer, which is why we put a cap at 200 guests, including your wedding party.

Q: How long do I get the space?

A: It is available to you as early as 10AM. Music must finish by 11:00PM and all décor removed by 12AM.

Q: Do you provide tables and chairs?

A: Yes! We even have some fancy high tops!

Q: Is there Parking available?

A: Yes! We are one of the few venues downtown with our own designated parking lots to cover up to 200 guests.

Q: Are you able to have a wedding ceremony at the space?

A: Yes! If you plan on having your ceremony and reception at the space, we would love to accommodate you! There is a 60-minute time gap between the ceremony and reception to allow our staff to flip the event (i.e. setup tables, chairs, decor). We recommend you host a cocktail hour on our seasonal outdoor patio space or in our new upper floor, which we like to call "The Lounge".

PHOTOBOOTH?

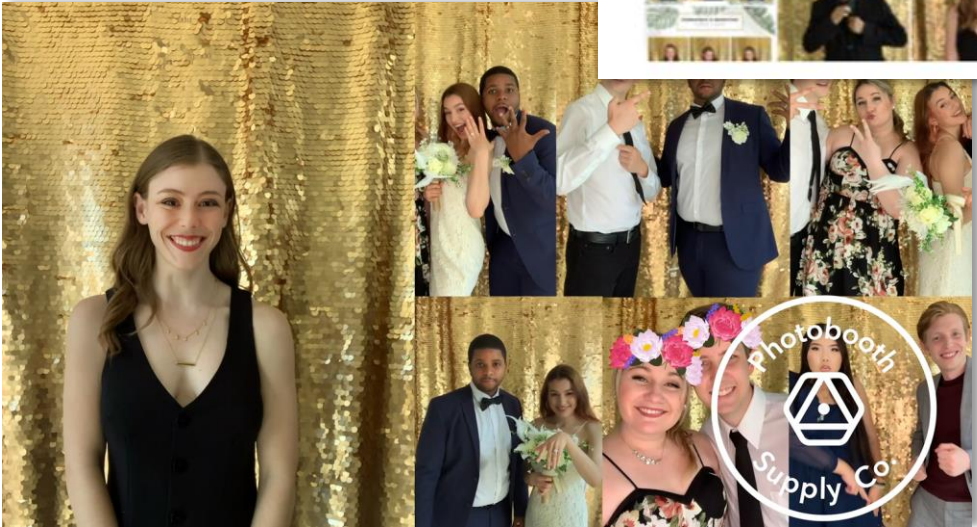

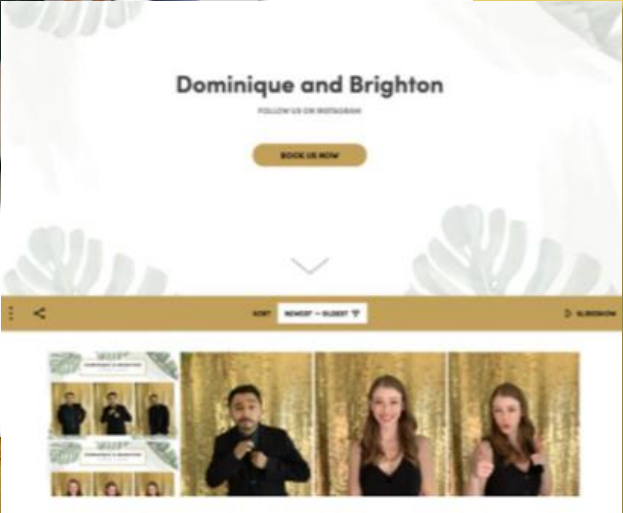

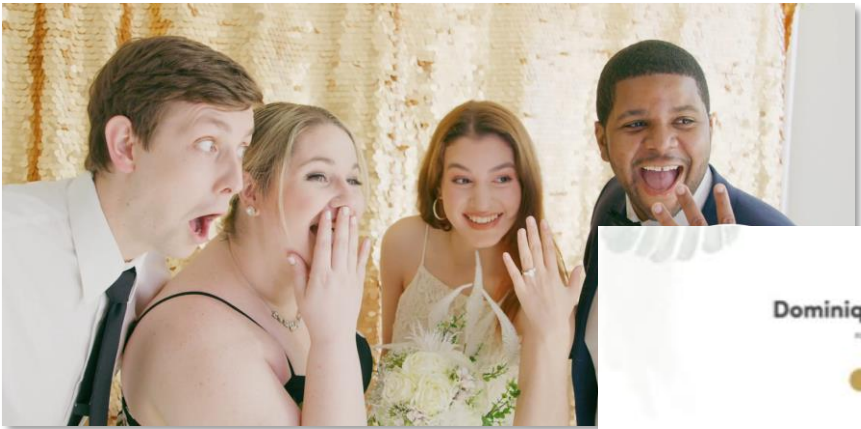

More like social booth!

Since Revel Center first opened, our goal was to give our guests as many opportunities to amplify their event experience. It's been a bit of a trademark of ours that we have both a retro arcade and integrated photobooth in our venue.

Our Photobooth (or perhaps we should call it “social booth”) syncs beautifully with our customer’s social media platforms so that our guests can share their experiences with everyone. Their unique photos, videos or boomerangs instantly connect with the cloud so your guests can seamlessly share and upload their memories in real time.

Plus, you get a personalized site of all photos taken for you and your significant other to laugh about on the honeymoon!

Refresh Bar Service By Revel

RAISE A GLASS MAKE IT TWO...

At Revel Center, we “pour” our expertise and attention to detail, one glass at a time. With our in-house bar service, we can maintain our highest quality standards and integral attention to detail.

Our “Refresh” Bar service is unique in that you can fully customize your package to fit perfectly within your event and your budget.

Our Unique Service

Our experience over the years has taught us that our clients want options. They want to customize their event from the ground up, including how the bar service is handled. At Revel, we want to give our guests the freedom to build a drink package unique to their tastes and budget. So how does this work?

Quite simply, you bring the alcohol, and we provide everything else. Utilizing any alcohol retailer of your choice, you select and customize an alcohol package that fits your group of people and your budget. You purchase it and have it delivered to Revel, and we take care of the rest.

Unlike traditional bar services where you get charged based on consumption, we allow you to bring in your own quantities for distribution. This does two things. First, it allows you the flexibility to bring in your own alcohol of your choosing. Second, you save money. Like a lot of money..

And the best part is, you take home whatever we don't use so long as the bottle hasn't been opened. Interested? Read on for more details!

FAQ Cont.

Q: Can you explain the cost savings?

A: Most bar services charge per person, regardless if someone has even a single drink. That means you could be spending upwards of \$5,000 on drinks alone! With our package, you buy as much alcohol as what fits within your budget.

Q: Can you explain the costs for me?

A: Our package rates cover our costs for our TIPS certified bartenders as well as setup, teardown of all bar services and the provision of all garnishes, and non-alcoholic beverages. Our bartenders also periodically sweep the event for empty cups and spills to ensure your event stays clean and safe.

Q: How do I know how much alcohol to purchase?

A: Our team of event managers will help guide you through the purchasing process to ensure that you purchase the exact amount of alcohol required for your event. They will also be available on the day of your event to ensure the bar service goes smoothly.

Q: Do you allow glassware?

A: At this time, we do not allow glassware, but we do have some very fancy clear disposables for your guests to use.

Q: Do you allow kegs?

A: Yes you may bring up to two kegs. You and your party are responsible for taking them home at the end of the event. They cannot be left on premises over night. All kegs must be dropped off the same day of your event.

Q: Where should alcohol be purchased?

A: Wherever you like, though we do have some handy recommendations. Specifically Total Wine, Costco or Gordon Foods.

Q: Can my alcohol get delivered to Revel Center

A: Of course! You are welcome to have your alcohol delivered to Revel within 5 days of your event. You are welcome to set up a delivery through Total Wine, Instacart, Drizly, Door dash or even Shipt. Just make sure you communicate with your event manager on when the alcohol is delivered (Revel is not responsible for late or delayed shipments to our facility).

Q: What kinds of liquor am I able to buy

A: Our service allows for 2-3 beers of your choice (domestic or craft) alongside 3 wines of your choice. You may also swap a beer selection for a hard seltzer selection of choice. You are allowed up to 5 spirits of your choice.

Q: Do you allow shots to be served?

A: As with most of the venues in the GR area, shots cannot be served as it comes with its own set of unique challenges. Rest assured that our TIPS bartenders will make your night an enjoyable one!
