Step back in time to the beauty of early California. Established in 1845, Rancho Guejito encompasses 23,000 acres (36 square miles) of citrus, avocados, vineyards, hay fields and thousands of grass-fed cattle. It is home to one of the earliest vineyards planted in California and is surrounded by history, enchanting greenery, and grape vines. Rancho Guejito Vineyard is the perfect blank canvas outdoor venue to host any event year-round.
