

**Beckendorff Farms**

Historic Event Venue

## *Event Package*

Beckendorff Farms is located in the heart of Katy and is owned and run by the Beckendorff family. This historic barn dates back to the 1800s where it was built in Ohio. The barn was carefully dismantled, shipped to Katy, Texas, and lovingly rebuilt on the Beckendorff family property. With its historic rustic charm, this barn provides the perfect backdrop for any occasion!

At Beckendorff Farms you will have the option of having an indoor or outdoor wedding ceremony. Outdoor weddings can accommodate 300 guests. Indoor weddings will be held in the South Hall and can accommodate 200 guests. For indoor weddings, there is an overhead mezzanine upstairs that can hold an additional 30 people (standing room only). Our reception hall can accommodate up to 300 people.
