# POLICIES

---

## **Outside Food**

All food & beverage consumed within the hotel's meeting facilities must be purchased and served by the hotel and consumed on premise. Under special circumstances, the Hotel General Manager may approve outside food & beverage, in which case permission will be granted in writing, and a service charge will apply. If outside food & beverage is used without the hotel's permission, a service charge of \$10 per guest or \$1000, whichever is greater, will be applied.

## **Pricing Policies and Guarantees**

All buffet prices are per person for a maximum of 90 minutes of service. Certain buffets require a 20 guest minimum, which will be noted in that section of the catering menu. If there are fewer than 20 guests, an additional \$115 fee will added.

All prices are subject to 6% Michigan Sales Tax. All prices, with the exception of Bartender Fees, Chef Fees, and Audio Visual Operation Fees are subject to a 23% service charge.

All Banquet Event Order (BEO) details, including head count, food & beverage menu choices, audio visual, and a meeting agenda are due 15 business days prior to the event. If said details are received later than 15 business days prior to the event, a 15% surcharge will apply to each item on the BEO.

Menus are subject to availability. The hotel reserves the right to make like-kind substitutions for any item in the event that a certain item cannot be provided for extenuating circumstances.

The hotel requests that a final guest count be submitted no later than 10 business days prior to the event date. If a guaranteed number of guests is not provided by this deadline, the 'expected' guest count will be the count the hotel prepares for, plus a 5% surplus. If the actual number of guests exceeds the count plus the 5% surplus, a 15% surcharge will apply to each item on the BEO. Furthermore, the hotel cannot guarantee that guests beyond the 5% surplus will receive the same menu items.

## **Payments**

A valid credit card with sufficient credit limit to cover the anticipated BEO cost must be provided to the hotel upon contract execution. All functions must be paid in full 5 business days before the event date by cashier check, money order, or credit card unless credit terms have been established with the hotel. In addition to payment in full, the hotel reserves the right to authorize a credit card for an additional 20% of the anticipated BEO cost, in the event that actual costs of the event surpass the anticipated BEO cost. All payments by business or personal checks are due 15 business days before the event.

## **Parking**

We offer complimentary on-site parking. If you would like to discuss a valet parking option, please speak with your sales representative.
