Floral Terrace has restored the famous theatre of Floral Park into a true masterpiece . When staring at the ceiling above, preserved plaster from 1927 will embody those inside. Spacious yet intimate, Floral Terrace caters to affairs as private as 110 guests, to much larger events with maximum capacity of 450 guests.

Built-in LED kinetic lighting transforms this classic theatre look into a modern wedding atmosphere, mixing traditional design with modern technology. Acoustically sound, music by DJ or Band will travel seamlessly throughout the ballroom, allowing your guests to enjoy themselves effortlessly.

Floral Terrace's elevated dance floor allows each and every guest to witness the events of the affair. From a couple's first dance to a corporate speech, under the magnificent crystal chandelier, the elevated dance floor will undoubtedly capture everyone's attention.
