# EVENT SPACES

The Bavarian Bierhaus has been a community staple for almost 60 years. It has expanded into a brewery, bierhall, biergarten and ultimate event venue. The Bavarian Bierhaus features room for up to 5,000 of your friends and family and is your venue for all your events large and small.

## PLANNING YOUR EVENT

### THE BIERHALL:

Transport yourself to Munich, Germany in our traditional Bavarian Bierhall featuring our certified independent craft brewery as the backdrop. Reserve a section of the Bierhall for your party or company happy hour or book the entire hall for your event up to 350 guests. This room has 4 large screen monitors, a giant 165" monitor, an integrated audio experience and a large stage for your DJ or band.

### THE KING ROOM:

The King Room can host up to 150 guests for a formal dining experience with beautiful murals, natural lighting and an enormous gas fireplace. This room has 3 monitors, and integrated audio experience, 150" projector screen and a computer hub to control your presentation or walk down memory lane.

### TAP ROOM :

Between the large U-shaped bar and surrounding high-top tables, the Tap Room is your own private pub, with standing room for many more. Especially popular as a company happy hour venue, the Tap Room can also serve as the bar area for a larger event in the adjacent King Room.

### BANQUET HALL:

Located on the lower level of the brewery and restaurant building, the Banquet Hall can be reserved as one large room for 250 guests or divided into the Bierstube or Edelweiss Rooms. The room has a 75" monitor, 150" projection screen and an integrated audio experience.

### RATHSKELLER :

The Rathskeller is one of our historic gems that can seat up to 60 people. The room features its own private bar, 2 monitors, and an integrated audio experience. This room is perfect for a Bridal Room, rehearsal dinner or small event

# EVENT SPACES

## THE TERRACE :

The Terrace overlooks our massive Biergarten and the Bavarian United main soccer field. It is open May through September and seats up to 200 guests. The Terrace can be reserved separately or part of a larger event in the Bierhall.

## OLD HEIDELBERG PARK

Old Heidelberg Park is a gorgeous Biergarten that is the home of Milwaukee's original Oktoberfest. The park has been the host to countless festivals, weddings, party's and a Presidential Speech by Ronald Reagan. The park in it's entirety can host over 4,000 guests.

## FEST HALL:

Our Fest Hall is a replica of the Oktoberfest Bier Tents in Munich. The Fest Hall features two bars, a massive stage, 2 monitors and an integrated audio experience. The hall can seat up to 1,800 guests.

## THE JAGER PAVILION:

The Jager Pavillion is our VIP area. It features a private bar, 2, 65" monitors, and an integrated audio experience. You can seat 100 guests for a wedding ceremony, 60 for dining or can be your buffet area for a reserved section in the biergarten.

## GREEN SPACE:

We have several acres of green space nestled along the Milwaukee River and a couple hundred yards off the Oak Leaf Trail for your private picnics or events.
