FAQ

Q: Do you have a preferred vendor list?

A: YES! Our preferred vendor list is a list of vendors we personally recommend. We do require that your caterer be chosen from our preferred caterers list. Ask us for our list!

Q: What are your options for bar packages?

A: We offer both consumption based bar packages, based on how much your guests drink throughout the event, and hosted bar packages, with a select option of beverages and priced per person. Stay tuned for our bar menu.

Q: Are you able to have a wedding ceremony at the space?

A: Yes! We can accommodate an indoor or outdoor ceremony depending on the weather. Indoor ceremonies require time for our staff to flip the ceremony space for the reception and we recommend hosting a cocktail hour for your guests. Outdoor ceremonies will be held on the back patio, overlooking our picturesque golf course.

Q: How long do we get access to the rental space for?

A: Half-day rentals are from 8am - 2pm or 5pm - 11:30pm. Full-day rentals are from 8am - midnight. These timeframes include set up and teardown time unless otherwise requested through special request. We recommend giving yourself a half-hour to an hour for cleanup/teardown after your event. Event staff will be onsite for the entirety of your rental time for assistance.
