Here's what they're saying....

"There are no words to describe how amazing this venue and family are. In my opinion, they are a must for any event but especially for a wedding. Sandy has a true talent for planning, decorating and coordinating. Her and her family made my wedding inforgettable. Everyone thought it was the most beautiful wedding they had ever seen. I also suggest their catering. Their cutlery and glassware is stunning but their flip chicken is delectable. Very moist and tender. I highly recommend their venue, catering and them as a family in general. Not enough can be said about them and just how beautiful they made my big day!"

Amanda

"Gorgeous venue and proably about as stress free as a wedding can be! Sandy and her staff worked tirelessly to make my son and his wife's vision for their perfect wedding happen. As with any wedding, there are going to be little bumps in the road along the way but her and her staff did everything to smooth those bumps out. All of our guests repeatedly commented how beautiful everything was. She was a pleasure to work with."

Tammy

"The Countryside Barn is a beautiful place for any event! Sandy is an amazing person to work with! I used this venue for my wedding and it was absolutely perfect! Sandy listened to every idea I had and made it even better than what I could have imagined! She is such a great person and so easy to work with! She decorates and everything which made my day as a bride stress free! I highly recommend this venue!"
