Congratulations on your engagement! Thank you for considering the Tobacco Barn at P A Bowen Farmstead for your wedding reception and/or wedding ceremony.

We have many options available at the farm, and a visit is the best way to establish what you are looking for in planning your event. Please contact us at events@pabowenfarmstead.com for a visit. Meeting together allows you the chance to see the farm and allows us to get an idea of exactly what you are looking for in your perfect wedding.

Here at the farm, we can do weddings that feature everything from rustic simplicity to plantation elegance. We are particularly proud of the fact that we can offer cheese and pork from our farm to feature in your wedding dinner. Pig roasts featuring our whey-fed woodlands pork are also a possibility.

Our barn is approximately 3000 square feet, including the hay loft, for maximum dinner seating of 150. If you wish to rent a tent, we can accommodate 250. The barn has a closed-off food preparation area of about 200 square feet. All cooking (pig roast, barbeque, pizza oven, etc.) must take place in a special area outside the barn. The barn has a wide deck on the north and west sides, and a tree-surrounded lawn on the north side that can serve for a reception, ceremony, games, photos, etc.
