## F.A.Q.

### **Decorations**

The Riverboat Company and its staff are not responsible for decorating, gifts, or any further special arrangements unless purchased through The Riverboat Company. Please give us the name of each decorator so that our staff will be aware who is allowed on the boat early.

### **Items Left Behind**

The couple is responsible for all materials that are brought on board. If any items are left after the event, River Street Riverboat Company is not responsible for lost or damaged items. The Riverboat Company Staff is not responsible for collecting items or boxing them up to be picked up the next day.

### **Items Not Allowed**

The Riverboat Company does not allow confetti or rice of any kind to be used for the ceremony or the reception as it can be hazardous to the wildlife on the river. We do not allow open flames on the boats and suggest the use of LED lights instead. No paper lanterns or balloons are allowed on the outside patio or railings of the boat unless secured to the boat itself. We do not want anything to fly off of the boat into the river.

NO outside food or drink can be carried ON or OFF the Riverboat. Wedding Cakes and Cupcakes are the ONLY exception to this policy.

Reservations are only confirmed upon receipt of deposit. Deposits are non-refundable. If for some reason you need to cancel, patron forfeits entire deposit in the event of cancellation. Final guarantees and payment are to be given no later than 14 days prior to the event. No cancellation for inclement weather unless the Captain determines it is unsafe to sail.

### **Address and Location**

Our boats are centrally docked in historic downtown Savannah. We are located directly behind city hall and within walking distance to most accommodations in Savannah's historic district. Due to limited parking on River Street, it is best to park along Bay Street either in metered parking or in the Bryan Street Parking Garage.
