

THE *Derbès* MANSION

The historic Derbès Mansion is an award-winning landmark restored with an abundance of quintessential New Orleans charm. The Greek Revival mansion was completed in 1859 for Nicolas Benachi and his family. Today, this historic property serves as a special event venue and wedding weekend hub.

With over 30,000 square feet of event space, the property boasts a multitude of possibilities. The mansion is perfect for overnight guest accommodations, bridal prep, rehearsal dinners, welcome parties, weddings, or post-wedding brunches. The property includes eight bedrooms, nine bathrooms, two kitchens, and a variety of common areas. Enjoy our heated pool and hot tub, sip cocktails in our rocking chairs, and enjoy your guests during all of those moments between the moments.

A three-night grounds rental is required to book a weekend event. A grounds rental includes exclusive use of the main house, carriage house, and the beautiful outdoor space. Events are defined as a gathering of thirty people or more.
