# WHAT OUR CLIENTS HAVE TO SAY...

*"Incredible location that can sleep up to 60 guests with nearby houses/cabins to rent if you have more people. Directly located on the lake with a massive kitchen and main lodge. Kayak, canoe, and motor boat rentals are available. There are 7 private sandy beaches along the lake with great fishing and hiking trails. Highly recommend!!"- Erin*

*"Dave and Cathie at Nicatous Lodge went above and beyond to make our day special. After meeting him several months before the wedding day, Dave kept regular communication with us to ensure he was creating a customized experience that reflected who we are and what we wanted... Our families stayed at the Lodge for three days so they could get to know each other, and now, a month later, everyone is still talking about how magical it was."- Melody*
