

R & R

WEDDINGS AND EVENTS

R&R is located in a charming small town just outside of Kalamazoo. It is a renovated service garage and car dealership that is historic to Vicksburg. We have two separate spaces for the ceremony and reception both with their own elegant touches. We love watching everyone's vision come to life and at R&R our space is truly customizable.

Our website is completely transparent with our current prices, everything we include, and much more!
