Congratulations on your engagement!
We're so excited for your future and thank you for taking the time to consider us!

We wanted to take a moment to introduce ourselves so you can know the folks behind Serenity Ridge.

We're four friends who have spent our careers in the Hospitality Industry and have long envisioned a venue in the mountains--a frequent topic of conversation since we met twenty years ago.

In late 2021, we decided to take the leap and search for our next venture. When we found this special property, we just knew this was IT!

We've learned a lot along the way, but also depend on open communication with our guests to continue to learn and make us better. We look forward to meeting you and learning more about you!
