

## **HIDDEN RIVER EVENTS PRICING INFORMATION**

### **PRICING IS ACCORDING TO DAY OF THE WEEK AND NUMBER OF GUESTS**

We are a one-of-a-kind, TRULY all-inclusive wedding venue with all of our pricing for a complete wedding (except for your alcohol, which you can purchase and provide yourself from any source) known up front and guaranteed at the time of contracting.

Customization and upgrades are possible during the planning period with our event planning team, included in the package (outside wedding planners not needed). Typical additions beyond alcohol include appetizers (\$5-\$15 per person plus tax); a few more bouquets and boutonnieres (\$65 and \$35 plus tax); a custom color emphasis for included floral (approximately \$250-\$450, but varies according to the size of the event).

In short, couples and their families have an almost complete understanding of what their entire event will cost at the time of contract signing. Our couples tell us they have not found anything like us anywhere in the country. It is not uncommon for people to find us and not to understand what we offer because we are truly unique. Once they look around for a bit, they come back to us though, understanding that they have found the place where they can have a truly stress-free engagement period and wedding day.

We have seven on-site vacation rentals on the property and hotels within 1 ½ miles of the venue, along with numerous neighboring airbnb rentals we highly recommend. On-site, up to 65 people can reside comfortably (82 if you max it out!) and many of our couples have us invoice their guests so they can recuperate some of the cost of their event (typically \$4k to \$8k, or more), thereby bringing down the overall cost of the event substantially.

Add to this our proximity to Asheville, NC (we are just 15 minutes from the heart of downtown), your ability to purchase and provide your own alcohol—with no hidden costs or markups—and you will have the most REAL days of your lives to date. You'll be tempted, in years to come, to think it was a dream and your friends will continue to say it was the best wedding they ever attended.

March, Late November and December weddings offer off-peak season pricing (Please inquire
