The Pavilion

Located on the property, this 1600 square foot heated Pavilion makes versatility easy at Appalachian View. Uses for the Pavilion are infinite, but one thing is for sure that the beautiful views and versatility of this space makes it ideal for Rehearsal Dinners, Inside Ceremonies, Bridal Brunches and more. All of our packages include the use of the pavilion, and this building serves as a back up plan in case of rainy weather during your ceremony and is set up and broken down by our amazing staff.
