*Where Innovation & Culture Converge*

### *Elegant Tuscan Barn Weddings*

*Enjoy the Treman Center's large classic barn and its Italianate courtyards while experiencing one of the Finger Lakes most scenic parks, featuring a spectacular 2.5 mile gorge and dramatic waterfalls right in our backyard. We are only 10 minutes from downtown Ithaca.*

The center is yours for full use as a destination weekend from 9 am Friday morning until 2 pm Sunday afternoon. We have found that for couples with family and friends coming in from out of town, having a central gathering place to hold a **small rehearsal dinner, "Day of" ceremony, reception and small brunch on Sunday, with 2 bridal suite overnights** is ideal.

There are many ways to stage your event with our vast grounds, courtyards, front terrace, tree flanked alley and the 2 large main floors with huge fireplaces. The first floor is all stone opening out onto the spacious Tuscan courtyards with pool. The second floor has a fantastic dance floor with a Steinway piano, great sound and perfect for a seated dinner. Music can be played until 11 pm. There is a bridal bedroom suite on the third floor (not for large assembly) for the marital couple to stay in 2 nights for the weekend and a large room with mirrors for the bridal party women to get ready with a hair/make up artists if desired. There is a large stage in kitchen for caterers and you use as well, The building has radiant heat and AC. We build you a fabulous bonfire in our stone circle after diner. ***You are responsible for your food/bar/dinner settings and services.***
