Linens

Don't try to order online and have to spend hours, nay, days ironing. They come in a folded up square, btw. Or renting elsewhere and have to schlep them all here. Have you ever tried to lift a bag of linens? It's worse than your time at the gym. **Trust us.** When you rent from us, they will all *magically appear on your tables, before you arrive.* No delivery and pick up fees here. You won't have to worry about what sizes to rent to cover those *ugly table legs*. Cuts down on time, money, blood, sweat, and tears. All tablecloths are floor length. Showing table legs are against our religion.

Linen invoices are sent out no earlier than 2 weeks prior to your event date. It will be sent thru Honeybook. You'll need to find out how many tables you need and what size tables for your caterer, non-alcoholic beverage tables, dessert tables, DJ and photobooth, as well as head table or sweet heart table, cocktail tables, guest book, gifts and unity tables.
