What Our Couples Say...

I cannot say enough great things about this magical place and their wedding team! My husband and I both agree that they went above and beyond to make our day a dream-come-true! Their stylish eye brought our wedding vision to life in a way that could only be explained as sheer magic! If you are looking for a gorgeous barn venue and a ROCKSTAR wedding team, we HIGHLY recommend you choose Vinewood!

-Brittany G.

Absolutely incredible venue! The Vinewood staff made every Pinterest dream I had come true without hesitation. The grounds are stunning enough on their own, but with their help and expertise, I had the most magical wedding I could ever hope for. This place will not disappoint!

-Caitlin R.

The entire staff at Vinewood Stables/Magic Moments/ A Divine Event were absolutely fantastic. They took such great pride in making sure my experience from planning, to walking down the aisle and the reception went the way I dreamed it would...IT DID! I honestly could not have asked for anyone better to be my "go to" than her. She went above and beyond. If you are looking for a beautiful place with staff that truly cares about your day...here ya go!
