Here's What They're Saying:

On our sites, we find that these couple's who have used our services and then went out of their way to give us a good review are invaluable.

“The most perfect wedding day! We had the most beautiful wedding here with our close friends and family. Natasha was such a help with organizing everything the day prior and day of the wedding — everything ran so smoothly! The sermons and poems delivered by Pastor Patricia were touching and heartfelt. The stained glass windows inside of the chapel are show stoppers. If you are looking for non-denominational church for a wedding of 100 or less people, I highly recommend you book this venue.”
