Weddings

Welcome to Chebeague Island Inn

Congratulations on your engagement!

Chebeague Island Inn welcomes the opportunity to host your special day. Located on the largest island in picturesque Casco Bay, Chebeague Island is easily accessible by ferry from Portland and Yarmouth or by way of a water taxi.

All of our weddings take place under a tent, which is rented exclusively for you for your wedding based on your vision and budget. Ceremonies and cocktail hours take place outside overlooking Casco Bay and the splendid perennial gardens of the Inn.

We accept a limited number of weddings each season to ensure each wedding receives the attention to detail it deserves and you desire. Together we will design your wedding menu using our a la carte offerings to create the perfect package for you.

We look forward to helping you create your perfect day amidst the natural splendor of our island paradise.

*Warm regards,
Chebeague Island Inn Events Team*

Staying on the Island

Our 21-room boutique hotel, just 20 minutes north of Portland, features serene and comfortable guest rooms, free of TVs and phones. Featuring both garden and ocean views, guests revel in the unique and cozy ambiance the rooms provide, after a fun day of exploring and celebrating our little island.

For wedding weekend dates, we require a two-night minimum for all of our 21 guest rooms. This guarantees that everyone staying at the Inn for the weekend is there to celebrate your special day!

In addition to reserving the rooms at the Inn, most couples reserve some of the rental homes on island – there are more than 15 – so that other guests are able to be close and participate in events. Some houses are within a short walk (think right across the street) and some are a bit farther. They range in sleeping capacity from 4 to 10 people, and are incredibly affordable. We'll send you the list of rental homes that we know about (more are always popping up), and we encourage you or your planner to do the initial outreach. Then you can help assign people as you see fit. We've hosted weddings at the Inn where all 200 guests have been on island!

Know that this is just an option; many couples also reserve room blocks in town and arrange for transportation. We're happy to help out and provide options and insight.

The Inn

Chebeague Island is the largest island in Casco Bay. At 3.5 miles long and 1.5 miles wide, running the island's outer loop makes for a great morning workout.

The Inn sits on 2.5 acres of oceanfront land. Facing Casco Bay to the west, we promise you'll experience some of the best sunsets you've ever seen. Located within the surrounding grounds of the hotel, you'll find much to enjoy.

Our Great Room is designed to be your living room while you and your guests are with us, giving you the opportunity to connect before your wedding day.

Island Amenities

For you and your guests enjoyment while you're with us, we provide as assortment of amenties. We have several lawn games, including bocce ball, corn hole, croquet, badminton and more. On our lower lawn, we have an outdoor firepit for roasting s'mores after sunset.

We also provide beach cruiser bicycles, CII beach chairs and beach towels to further your enjoyment on any of Chebeague's 6 public sandy beaches.

As for some great group activities for your and your wedding party, take part in a round of golf on Chebeague's 9-hole golf course, play for love on the tennis courts, and discover some island treasures at the local boutiques.

Ceremony

On property ceremonies can take place on either our upper lawn or lower lawn overlooking picturesque Casco Bay. Otherwise, you can say I do at Hamilton Beach just walking distance from the Inn.
