### PLANNING SERVICES

It is recommended, but not required, that all events engage an event planner to assist with set up, teardown, staffing, catering, and rental equipment. The UMLAUF does not provide these or any other event planning services.

### PREFERRED VENDORS

The UMLAUF provides a curated list of preferred vendors. These vendors have experience at the UMLAUF and include caterers, rental companies, florists, bands, DJs, and valet services. It is encouraged to work with a preferred partner, as this will make coordinating your event a breeze. The only exclusive vendors are our tent vendors.

### EQUIPMENT RENTAL

For an additional fee of \$500, the UMLAUF provides tables and chairs that complement our venue. This equipment includes: 180 fruitwood chiavari chairs with an ivory cushion, 15 – 5ft. round tables and 25 – 8 ft. rectangle tables. You may use as little or as much of this equipment for the \$500 fee. Generally, your catering crew or a staffing company will provide set up and breakdown of all equipment, but you are welcome to enlist the help of volunteers, family, or friends.

### VENUE STAFF + SECURITY

An on-site security officer, included in the rental rate, is dedicated to the safety of the art objects. This officer will also assist guests walking from the overflow parking lot to the Museum, ensuring that the event arrival and departure is safe. Inside the Garden grounds, an UMLAUF manager-on-duty will help vendors and guests as needed, as well as maintain the security of the Museum and its works. Events with more than 250 guests will require additional staffing at an additional charge.

### PAYMENTS

At the time of booking, a \$500 damage deposit and 50% of the rental fee is due. The damage deposit is refunded after the event, less any damage or fees. The remaining rental balance is due 90 days prior to the event.

### ART + EXHIBITIONS

The UMLAUF features exhibitions that are subject to change without notification. Artworks and exhibitions cannot be moved, removed, or altered for any event.
