- Final numbers for catering are due two weeks (10 business days) prior to your event. If no final numbers are submitted, the number on your most recent contract will be used.
- Service is provided as a fee of 20% of the total food and beverage spend on the contract or 20% of the food and beverage minimum for the rental if this is higher. This fee includes sufficient servers, bartenders, or other staff to provide standard levels of service for the venue. If clients have special service requirements, additional staff can be provided at a rate starting at \$25/hr.
- All food and beverages served by the Taft Museum of Art will have sales tax applied unless sold to a validated tax-exempt organization.
