How does our cost for a Saturday wedding with 125 guests (\$4,500) compare to a tented wedding in your back yard?

 (Spoiler Alert: The comparable wedding in your back yard will cost more than DOUBLE!)

\$3,400	3,400 sqft structure tent - Though the beauty of our authentic barn is no comparison!
\$128	Sidewalls - Tent sidewalls really don't compare to our lap wood siding walls, windows, & functional barn sliders, visible inside and outside but it's the best comparison we could find
\$400	Portable toilet - Our bathroom is gorgeous, complete with a beautiful vanity backsplash made of our barn's original siding. Can you really compare that to a portable toilet?
\$400	Fans - pole-mount rental fans can't compete with our ceiling fans in beauty
\$750	Bistro lighting - This is just the rental cost of 500 ft. of lighting. Don't forget, you need to add the cost of mounting hardware.
\$880	Regular Lighting - Light towers compared to our jelly jar and ceiling fan lights.
\$190	Tables - (2) 6' wood farm tables (Ours are handmade from our own trees!)
\$40	Tables - (4) 6' folding tables
\$184	Tables - (16) 5' round tables
\$500	Chairs - 125 white resin folding chairs
\$400	Whiskey barrels (10)
\$300	Patio stand heaters (4)
\$500	Generator - Depending on your needs, generators can exceed \$1000.
\$1700	Flooring - Our combination of stamped concrete and real wood flooring are a serious upgrade from our comparison, black turf carpet (\$0.50/ft).
\$648	Dance Floor (18x18)
-----	We can't find a comparable rental for the following items, but just imagine if you added them to your rental tab!
\$10,400	+Parking attendant
+ delivery & set-up	+Barn use Friday evening - hosting the rehearsal dinner & being able to set up the night before. In order to use the tent an addl. day, your cost will likely increase by at least 25%.
+ all of these addl. values & services	+ 1 hr. onsite for engagement or bridal photos
	+ 1 hr. walk-through with your vendors - (1mo. prior)
	+Experienced guidance & coordination - with you, your vendors, & your planner throughout the entire process
	+Robust planning portal - for use in planning & coordination with all parties involved
	+Rain plan - If it rains at Due Sorelle Farm, you get to host your ceremony in our GORGEOUS barn. If it rains in your back yard, you have to get married in a tent
	+Open-air patio with fire pit - complete with furniture & bistro lighting next to the barn. We couldn't really find that for rent.
