Special Catering & Event Services

Our team of professional catering managers will be happy to assist you with creating custom designed specialty menus for your wedding, rehearsal dinner, bridal shower, and farewell brunch. We are here to offer our personalized service while handling all of the details in order to make your wedding day an unforgettable occasion.

Tasting

Upon confirming your wedding day with the Hilton/Chicago Northbrook, we are pleased to offer a tasting of your selected first course, salad, entrée and side dishes for up to six total guests including the bride and groom. A tasting of your wedding cake will be provided by our bakery partner.

Food & Beverage Services

Hilton Chicago/Northbrook is responsible for the quality and freshness of all food and beverage served to our guests. Due to health department regulations, our professional food service staff or our approved suppliers must prepare all food and beverage served at any event held on hotel property. Outside food and beverage is not permitted without prior approval from your catering manager. For our guests' safety, food and beverages may not be taken off the premises.

Alcoholic Beverages

State law requires all persons consuming alcoholic beverages on Hilton Chicago/Northbrook Property to be of legal age. All individuals consuming alcoholic beverages must be able to provide an acceptable form of state issued picture identification in order to verify age upon request. Hilton Chicago/Northbrook reserves the right to terminate alcohol beverage service at its sole and absolute discretion at any function. Alcoholic beverages may not be removed from or consumed anywhere outside of the designated function area. Please note that sales and services of alcoholic beverages are regulated by the state. State law prohibits any guest from bringing any alcoholic beverages onto hotel property.

Deposit & Guarantees

Upon confirmation, an initial non-refundable deposit of \$1,000.00 is required to hold your space. Ninety days prior to your event, a 50% deposit of the food and beverage minimum is required. Payment in full is due 7 business days prior to your wedding by a cashier's check, certified check, credit card, or cash; personal checks are not accepted. Also, a final guarantee must be confirmed no later than 4 business days of your scheduled event. No allowance will be made if attendance is less than the number guaranteed. In the event that the guarantee is not communicated within 4 business days, you will be charged for the number of guests anticipated at the time of booking. If additional guests are in attendance, we will make every effort before the event to accommodate such guests based on the contracted price, but cannot guarantee such accommodations. Prices are subject to change without notice. 24% service charge and 11% tax will be added to all food and beverage.

Guest Accommodations

We are pleased to offer your guests a special guest room rate for your wedding weekend. These reduced rates will vary based on room availability.

Security

Hilton Chicago/Northbrook does not assume responsibility for damage or loss of any equipment, materials, merchandise or articles left on premises prior to, during or following an event. Arrangements for security at your event can be made through your catering manager.
