# GLEN ELLEN FARM

A historic outdoor venue specializing  
garden-style weddings and events

# Welcome

Nestled in a glen between the rolling hills of Maryland's countryside, Glen Ellen Farm includes over 30 acres of pristine gardens, a spring-fed pond leading to a beautiful wildflower meadow, a historic property available to the family, offering an unmatched charm and elegant atmosphere to celebrate with family and friends.

Enjoy the sophisticated charm of our peaceful setting in the outdoor tented facility with a capacity for up to 200 guests amidst luscious gardens providing an unparalleled backdrop of year-round blooms. Glen Ellen creates the perfect intimate and romantic setting for our couples to wed.

## OUR HISTORY

We say the romance of Glen Ellen Farm has deep roots because our masterfully restored 1850's Greek Revival manor was once the home of Lady Ellen Thompson, presumed ghostwriter of the romance novel, Lorna Doone!

Glen Ellen requires a caterer from our selected caterer list.

### Does Glen Ellen provide a day-of coordinator or staff?

Glen Ellen does not provide a day-of coordinator, but one is required for all weddings. Glen Ellen's staff will set up your floor plan so it is all ready for your vendors to arrive at 11am to drop off and decorate! We also have a staff that will welcome your guests, direct parking, and, follow through cocktail hour as a team to your vendors! Our Facilities Manager will be on-site from start to finish. On the day of the wedding, we do provide you with a Manor Mom who will attend to the family during their time in the Manor House. The responsibility of the staff members is maintenance, security, and, to be available for you and your vendors in case of any issues. Your Day-of Coordinator will assist with décor setup, timelines, making sure all vendors are working together, and all the particular details of your beautiful day!

### What is the rain plan for scheduled outside events?

The ceremony, cocktail hour and reception would take place under the tented area. An additional tent can be rented over side patio for extra coverage.

“

The perfect venue! We had our wedding reception at Glen Ellen Farm and could not be happier with how it turned out! Our guests absolutely loved the venue and continue to tell us that it's one of the most scenic wedding venues they have seen. Debbie and her staff are extremely professional and kept our event running smoothly from start to finish. We highly recommend using Glen Ellen Farm for a wedding!”
