

*Sunday or Weekday
Wedding Package*
\$2,500

[GENERAL INFORMATION]

Hours of Use: Sunday or weekday from 10am-10pm for decorating, ceremony and/or reception and clean-up. Music must end by 9pm.

Capacity: Our venue can seat up to 200 guests inside the barn.

Accommodations: Red bank style barn built in the late 1800's with gorgeous rustic and original wooden beams and exposed rafters. Stamped wooden plank concrete patio surrounds two sides of the barn and lays adjacent to the oil & chip parking lot. The barn offers lots of windows that can be opened for a summer breeze or remain closed while still providing beautiful views of the surrounding property. One end of the barn overlooks an attractive lake with fountain. There are two indoor restrooms, one of them is handicap accessible. We do not have a catering kitchen.

Requirements: We do not have catering requirements, but do recommend Big Daddy's BBQ. Our venue does not provide alcohol, but we do allow it. You may use a caterer or personally provide the alcohol for your guests. Event insurance is required for the day of your event and alcohol liability insurance is required if serving alcohol.

[ADDITIONAL INFORMATION & SERVICES]

- Farmhouse available prior to the ceremony for the bridal party to get dressed
- Multiple ceremony location options (lakeside, in front of the barn and inside the barn)
