History of Pelican Lakes & RainDance National

Pelican Lakes and RainDance Resort & Golf clubs offer various venues for weddings and events.

The most popular venue is the Event Island at Pelican Lakes where thousands of people have gathered since its first wedding in 2002. The Island is in the middle of Lake Water Valley and underwent major remodeling in 2014. The Island creates a unique experience for your wedding day with its dramatic stone bridge entrance and groomed beaches.

Pelican Lakes also offers more intimate venues including the Banquet Room, The Garden at Rock Bridge, the Fireside Room and numerous other venues on its 27-hole championship golf course.

RainDance National features an intimate outdoor gathering location for smaller events while it constructs its clubhouse, chapel and event space.

Where Dreams Come True

Marry your best friend in an array of different venues; from your own private island with stunning beaches and lush landscapes to a garden overlooking a lake.

Tell us about your dream wedding and our wedding experts and professional catering services team will follow through. Our planners have trusted relationships with local florists, pastry chefs, photographers, musicians and DJs who will take your ideas and bring them to life. We pay the utmost attention to every detail to make sure your wedding day dreams come to fruition.

One of our on-site Venue Coordinators will assist you with the following:

- Walk-through planning meeting to go over timeline, room layout and linen colors
 - Menu tasting to plan menu and bar packages
 - Organize rehearsal and ceremony details
- Execute reception timeline through your wedding formalities (cake cutting, first dances, toasts)
